1799 Gala

CELEBRATING 225 YEARS OF
ROCKY MOUNTAIN HOUSE

CELEBRATE | COMMEMORATE | FUNDRAISE

This year, Rocky Mountain House is commemorating 225 years since the establishment of its first fur trade fort in 1799.

The Confluence Heritage Society, in collaboration with various partners, has organized a series of exciting events to celebrate this milestone and raise funds for the Confluence Heritage Society. All proceeds will support the hiring of youth for summer positions at the Rocky Mountain House National Historic Site.

These students run the front desk, and perform puppet shows on the history of David Thompson, Charlotte Small, and the Rocky Mountain House fur trade, ensuring the continued engagement and education of our community. All tickets for these events can be purchased on Eventbrite by searching for "1799 Rocky Mountain House" or by scanning the QR code below.
